

NOTICE OF MAIN MOTION
STANDING RULES CHANGE 8.1.2

Standing Rules, after adoption, require 30 days' notice and two thirds vote of members present for amendment.

Date of submission: Tuesday November 7, 2023

Be advised that the following Standing Rules change has been advanced.

Regarding SR 8.1.2.

SR 8.1. 2. reads: The Society maintains a media presence through Facebook and any other vehicle approved by the Board to share information.

Proposed change shall state: The Society maintains a media presence through Facebook and any other vehicle approved by the Board to share information. **Our web presence (www.chefscalgary.ca), Facebook (Facebook page: Calgary Academy of Chefs and Cooks), Instagram and other social media accounts are the property of the CACC and maintained by the Board of Directors or someone appointed by them; people maintaining these accounts may not claim ownership of, or assume control over, these accounts by changing passwords or service providers.**

Rationale:

We have lost control of our website and social media accounts in the past; this change will hopefully prove ownership of our social media accounts and prevent their manipulation and cement our rights over these accounts.

Moved by Blake Chapman, secretary.

Seconded by Helmut Schoderbock, Media Committee Chair.
